## WHERE DOCTORS FAILED TO HELP

**E. Pinkham's Vegetable Compound Restored Mrs. Green's Health—Her Own Statement.**

London, Mo.—"Your medicine has done more good than all the doctors' medicines. At every monthly period I had to stay in bed four days because of hemorrhages, and my back was so weak I could hardly walk. I have been taking Lydia E. Pinkham's Vegetable Compound and now I can stay up and do my work. I think it is the best medicine on earth for women."

JENNIE GREEN, Covington, Mo.

**Now Mrs. Cline Avoided Operation.**

Greenville, Ind.—"I can say that E. Pinkham's Vegetable Compound has done more good than anything else. One doctor said I must be operated on for a serious female trouble, but nothing could help me but an E. Pinkham's Vegetable Compound. I had hemorrhages and at times I was so weak I could hardly walk. I had a weak condition that I would not have been able to get on if I had not got relief soon. I told me to try it and I did. It was the right medicine to cure the system and overcome my troubles."

Now in great deal better health than expected to be, so I think I can thank you for it.—Mrs. O. M. Cline, Main St., Brownsville, Ind.

## News and Notes of Women's Clubs

The Ladies Literary club carried out a "Federation day" programme Friday afternoon in its regular meeting at the club house. Mrs. C. H. McMahon talked along the lines of general federation work and gave an outline of the programme for the biennial meeting of the federation in San Francisco June 25 to July 5, as it has been so far arranged. One of the features of the programme, Mrs. McMahon said, was that it would have more women speakers than formerly, because it was found that women could give more practical ideas than men, since they could tell of things they had actually done and how men had helped them to do them. No formal social functions will be given, the diversions being in the form of excursions to points of interest near San Francisco.

Mrs. A. J. Gorman, president of the state federation, spoke along the line of state federation interests. Mrs. Gorman said that Mother's day would not be made the source of financial benefit to the federation this year as in the past, through the sale of carnations as a sentiment had led the board of directors of the federation to deem that that method would not be a source of making money. For this reason the federation would soon be compelled to make a request of the clubs for money. As one of the ways that this money would be spent Mrs. Gorman said that much of it would be needed to entertain the national visitors on their way to San Francisco. Since the Ladies Literary club is the largest in the city the principal responsibility for the entertainment of these guests would devolve on it. A promise was made that thousands of the most brilliant women of the country would stop in Salt Lake on their way to the coast and it behooved the Salt Lake club women to do them honor and impress them with Salt Lake's hospitality.

Mrs. Gould R. Blakely spoke on the general federation endowment fund of \$100,000 of which Utah's quota is \$200. Mrs. Blakely also outlined the tentative plans for entertainment of the visitors going to San Francisco. The contribution of 10 cents per member was voted from the club toward the endowment fund. Miss Quailrough of the public schools spoke on "The Public Schools as Social Centers." Miss Quailrough's idea is that the public school can be made a more potent influence for social betterment by keeping its doors open all the time. The heavier studies for pure mental training could occupy the winter months, and the lighter ones, such as domestic science, art and manual training, might be taught in the summer time. The school could thus keep in touch with the pupil all the year around.

A delightful musical programme was given. Elmer Young gave a pleasing violin solo, accompanied by Miss Stella Beeley. Miss Lucille Morningstar and Miss Helen Jacobs played a bright duet on the piano. Miss Leona Schmitt, from "Absence" and "The Hunt of the White Deer" in an expressive way.

A successful celebration of union signal day was given at the home of Mrs. E. K. Shepard, 334 Third East street. Friday afternoon. Devotional exercises were conducted by Mrs. L. M. Nipper and Mrs. Virginia Shannon gave a pleasing vocal solo. The members responded to roll call and singing of Mrs. Lillian M. Nipper, present editor of the Union Signal. A sketch of Mrs. Stevens' life was given by Mrs. L. F. Hickey. Readings were given by Mrs. T. J. Nipper and Mrs. Anna Goss. A solo was sweetly sung by Miss Winifred Smith. A review of the Union Signal, which is the official U. C. T. organ, was given by Mrs. E. K. Shepard. A Union Signal subscription shower closed the programme.

The American Woman's league will meet this afternoon at the Kenyon hotel.
